BLACK DOG INSTITUTE

TWO BLACK DOG INSTITUTE RESEARCHERS RECEIVE HIGH HONOUR

Professors Philip Mitchell and Perminder Sachdev of the University of NSW (UNSW), who have close ties with the Black Dog Institute, have each been appointed Scientia Professor from 2009 to 2014. Professors Mitchell and Sachdev have each received this appointment in recognition of their outstanding contributions to research in their respective fields. In announcing their appointment, the Dean of the Faculty of Medicine, Professor Peter J Smith, said Professors Mitchell and Sachdev are both leading academic and research psychiatrists in Australia and recognised internationally for their research expertise in psychiatry and neuroscience. A full description of the criteria for appointment of Scientia Professor is available on the [UNSW website](#).
