2-Day ECT Refresher/Advanced Course

Lecturers: Professor Colleen Loo & Dr Brett Simpson
Wesley Hospital Kogarah
7 Blake Street Kogarah, Sydney, NSW, Australia.

GENERAL
This 2-day course is particularly designed for psychiatrists who prescribe and/or perform ECT, though may also be of interest to other clinicians. The course covers foundational knowledge about all aspects of ECT treatment, as well as updates on latest findings from research, including ultra-brief and bifrontal ECT, and anaesthetic strategies to improve outcome. It is suitable as an ECT course for the general psychiatrist, as well as Advanced knowledge for experienced ECT psychiatrists.

Cost: $1700 (AUD) per participant (GST included)
Where: Wesley Hospital Kogarah
Time: 8.30am till 5.30pm (lunch included)
