Talking About Suicide in General Practice

GP Education - 3 hour program

Duration
3 hours (plus breaks)

Program outline
The Talking About Suicide in General Practice workshop aims to increase health professionals’ skill and confidence in recognising presentations where suicide risk is high.

You will learn how to undertake a detailed risk assessment, and provide effective management planning using a collaborative, team based approach.

Accreditation
• 6 RACGP QI&CPD Category 2 Points

Topics covered
1. Introduction
2. The Suicidal Crisis
3. Acute Management
4. After the Attempt

Learning objectives
By the completion of this program participants will be able to:
• Undertake a suicide risk assessment effectively
• Develop a collaborative safety plan
• Provide effective management following a suicide attempt

Suitable for
GPs
